Introduction to Sentence Equivalence

([watch](#) the entire video)

- About ¼ of all Verbal questions

The conversation between the two men was very _____, because it was too cold for them to linger in lengthy conversation.

- (A) collegial
- (B) terse
- (C) meaningful
- (D) brief
- (E) antagonistic
- (F) animated

Select the two answer choices that, when used to complete the sentence, fit the meaning of the sentence as a whole and produce completed sentences that are alike in meaning

- Select 2 answer choices that complete the sentence
- The resulting sentences must have similar meanings
- No partial credit – you must select both correct answers

Sentence Equivalence Strategy – Part I

([watch](#) the entire video)

1. Read the entire sentence to understand the big picture
 - paraphrase if necessary
2. Identify words/phrases that provide context for the blank, especially
 - descriptive words/phrases (adjectives/adverbs)
 - relationship words
3. Predict an appropriate word for the blank ([before](#) checking the answer choices)
4. Check the answer choices, and use scratch paper to record responses
5. Beware of trap answers
6. Confirm that the two words create sentences with the same meaning

Sentence Equivalence Strategy – Part I

1. Read the entire sentence to understand the big picture
 - paraphrase if necessary
2. Identify words/phrases that provide context for the blank, especially
 - descriptive words/phrases (adjectives/adverbs)
 - relationship words
3. Predict an appropriate word for the blank (before checking the answer choices)
4. Check the answer choices, and use scratch paper to record responses
5. Beware of trap answers
6. Confirm that the two words create sentences with the same meaning

Sentence Equivalence Strategy – Part I

([watch](#) the entire video)

2. Identify words/phrases that provide context for the blank, especially
 - descriptive words/phrases (**adjectives/adverbs**)

Sentence Equivalence Strategy – Part I

([watch](#) the entire video)

2. Identify words/phrases that provide context for the blank, especially
 - descriptive words/phrases (**adjectives/adverbs**)

Harriet's dog, Bubbles, is too _____ to complete the structured training required to become a guide dog for the blind.

- (A) large
- (B) delicate
- (C) disobedient
- (D) big
- (E) headstrong
- (F) frail

Sentence Equivalence Strategy – Part I

([watch](#) the entire video)

2. Identify words/phrases that provide context for the blank, especially
 - descriptive words/phrases (**adjectives/adverbs**)

*Harriet's dog, Bubbles, is too _____ to complete the **structured** training required to become a **guide** dog **for** the **blind**.*

- (A) large
- (B) delicate
- (C) disobedient
- (D) big
- (E) headstrong
- (F) frail

Sentence Equivalence Strategy – Part I

([watch](#) the entire video)

2. Identify words/phrases that provide context for the blank, especially

- descriptive words/phrases (**adjectives/adverbs**)

*Harriet's dog, Bubbles, is too unstructured to complete the **structured** training required to become a **guide** dog **for the blind**.*

- (A) large
- (B) delicate
- (C) disobedient
- (D) big
- (E) headstrong
- (F) frail

#14. *unstructured*

- A.
- B.
- C.
- D.
- E.
- F.

Sentence Equivalence Strategy – Part I

([watch](#) the entire video)

2. Identify words/phrases that provide context for the blank, especially

- descriptive words/phrases (**adjectives/adverbs**)

*Harriet's dog, Bubbles, is too unstructured to complete the **structured** training required to become a **guide** dog **for the blind**.*

- (A) large
- (B) delicate
- (C) disobedient ✓
- (D) big
- (E) headstrong ✓
- (F) frail

#14. unstructured

- ~~A.~~
- ~~B.~~
- C. ✓
- ~~D.~~
- E. ✓
- ~~F.~~

Sentence Equivalence Strategy – Part I

([watch](#) the entire video)

2. Identify words/phrases that provide context for the blank, especially

- descriptive words/phrases (**adjectives/adverbs**)

Historical fiction novels _____ two divergent genres so smoothly that it is often difficult for the reader to remember that he is reading an imagined tale, rather than a true life account of events in the past.

(A) adulterate

(B) divulge

(C) amalgamate

(D) stymie

(E) conflate

(F) repudiate

Sentence Equivalence Strategy – Part I

([watch](#) the entire video)

2. Identify words/phrases that provide context for the blank, especially

- descriptive words/phrases (**adjectives/adverbs**)

*Historical fiction novels _____ two **divergent** genres so **smoothly** that it is **often difficult** for the reader to remember that he is reading an **imagined** tale, rather than a **true life** account of events in the past.*

(A) adulterate

(B) divulge

(C) amalgamate

(D) stymie

(E) conflate

(F) repudiate

Sentence Equivalence Strategy – Part I

([watch](#) the entire video)

2. Identify words/phrases that provide context for the blank, especially

- descriptive words/phrases (**adjectives/adverbs**)

Historical fiction novels unify two **divergent** genres so **smoothly** that it is **often difficult** for the reader to remember that he is reading an **imagined** tale, rather than a **true life** account of events in the past.

- (A) adulterate
- (B) divulge
- (C) amalgamate
- (D) stymie
- (E) conflate
- (F) repudiate

#15. unify

Sentence Equivalence Strategy – Part I

([watch](#) the entire video)

2. Identify words/phrases that provide context for the blank, especially

- descriptive words/phrases (**adjectives/adverbs**)

Historical fiction novels unify two **divergent** genres so **smoothly** that it is **often difficult** for the reader to remember that he is reading an **imagined** tale, rather than a **true life** account of events in the past.

(A) adulterate

(B) divulge

☒ (C) amalgamate

(D) stymie

☒ (E) conflate

(F) repudiate

#15. unify

~~A.~~

~~B.~~

C. ✓

~~D.~~

E. ✓

~~F.~~

Practice Question

([watch](#) the entire video)

The new law was approved only after several provisions were included that _____ those lawmakers who were opposed to the law as it was originally proposed.

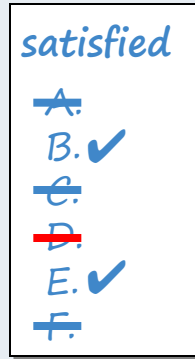

- (A) espoused
- (B) mollified
- (C) belabored
- (D) sedated
- (E) placated
- (F) aggrandized

Practice Question

([watch](#) the entire video)

The new law was **approved** only after several provisions were included that satisfied those lawmakers who were **opposed** to the law as it was **originally** proposed.

- (A) espoused
- ☒ (B) mollified
- (C) belabored
- (D) sedated
- ☒ (E) placated
- (F) aggrandized

Practice Question

([watch](#) the entire video)

The long line in the coffee shop grew even longer after one particularly angry customer's _____ to the cashier about having to wait so long for service.

- (A) ovation
- (B) tirade
- (C) diatribe
- (D) quip
- (E) query
- (F) account

Practice Question

([watch](#) the entire video)

The long line in the coffee shop grew even longer after one particularly angry customer's rant to the cashier about having to wait so long for service.

(A) ovation

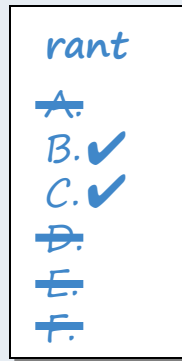

☒ (B) tirade

☒ (C) diatribe

(D) quip

(E) query

(F) account

Sentence Equivalence Strategy – Part II

([watch](#) the entire video)

1. Read the entire sentence to understand the big picture
 - paraphrase if necessary
2. Identify words/phrases that provide context for the blank, especially
 - descriptive words/phrases (adjectives/adverbs)
 - relationship words
3. Predict an appropriate word for the blank ([before](#) checking the answer choices)
4. Check the answer choices, and use scratch paper to record responses
5. Beware of trap answers
6. Confirm that the two words create sentences with the same meaning

Sentence Equivalence Strategy – Part II

([watch](#) the entire video)

Relationship words: connect parts that work **together** or **against each other**

The surly staff displayed nothing but ungratefulness, rather than _____ for weekend mountain retreat that the company had paid for.

- (A) disenchantment
- (B) gratitude
- (C) appreciation
- (D) disillusion
- (E) apathy
- (F) passivity

Sentence Equivalence Strategy – Part II

([watch](#) the entire video)

Relationship words: connect parts that work **together** or **against each other**

The **surly** staff displayed nothing but **ungratefulness**,
rather than _____ for weekend mountain
retreat that the company had paid for.

- (A) disenchantment
- (B) gratitude
- (C) appreciation
- (D) disillusion
- (E) apathy
- (F) passivity

Sentence Equivalence Strategy – Part II

([watch](#) the entire video)

Relationship words: connect parts that work **together** or **against each other**

The **surly** staff displayed nothing but **ungratefulness**,
rather than gratefulness for weekend mountain
retreat that the company had paid for.

(A) disenchantment

(B) gratitude

(C) appreciation

(D) disillusion

(E) apathy

(F) passivity

gratefulness

A.

B.

C.

D.

E.

F.
